

Fall 2003 Program Guide

A Note From Our General Manager...

Hi all!

Well, we don't like to admit it, but it's fall. Leaves are turning from green to brown. Sports fans are turning from baseball to football. Stores are changing from Back-To-School to Christmas (already!) And WRUW-FM is changing from its summer to fall schedule.

In here you'll find the current times of all WRUW's shows. As always you'll find a mix of genres: country, indie rock, metal, reggae, electronica, hip-hop, showtunes, jazz, and more. In addition, we have plenty of freeform shows throughout the schedule that don't fit any one music genre at all. Some stay within a particular decade, others play only new music, and a handful are all over the place. Check them out for the widest possible variety of music at one time.

We also provide a voice for public affairs programming that you won't hear on commercial radio. Actually, a number of voices, from across a

variety of political and social backgrounds. They may make you cheer or they may make you grind your teeth. But they will make you think.

Did you know that WRUW programmers come from the greater Cleveland area as well as from the student body of Case Western Reserve University? That's how we maintain a balance of new diverse programming with continuing favorites.

How are you? Need a refreshment? Go ahead, I'll be here when you get back. Just like WRUW-FM broadcasts on 91.1 24 hours a day, 365 days a year. We also broadcast over the internet – you can find exactly where by going to www.wruw.org. There's also plenty of cool stuff there about specific shows, station history, and upcoming events. You can even download individual shows for your personal on-demand listening experience.

Speaking of events, did you come to our Studio-A-Rama concert this summer? Plenty of people did and they saw birth perform live and outdoors, along with nine local bands. WRUW-FM is pleased and proud to support local music in the Cleveland area. Check out our *Live From Cleveland* program, which produces a new live band every Thursday. We also sponsor concerts around town throughout the year, and you can look forward to Studio-A-Rama next summer.

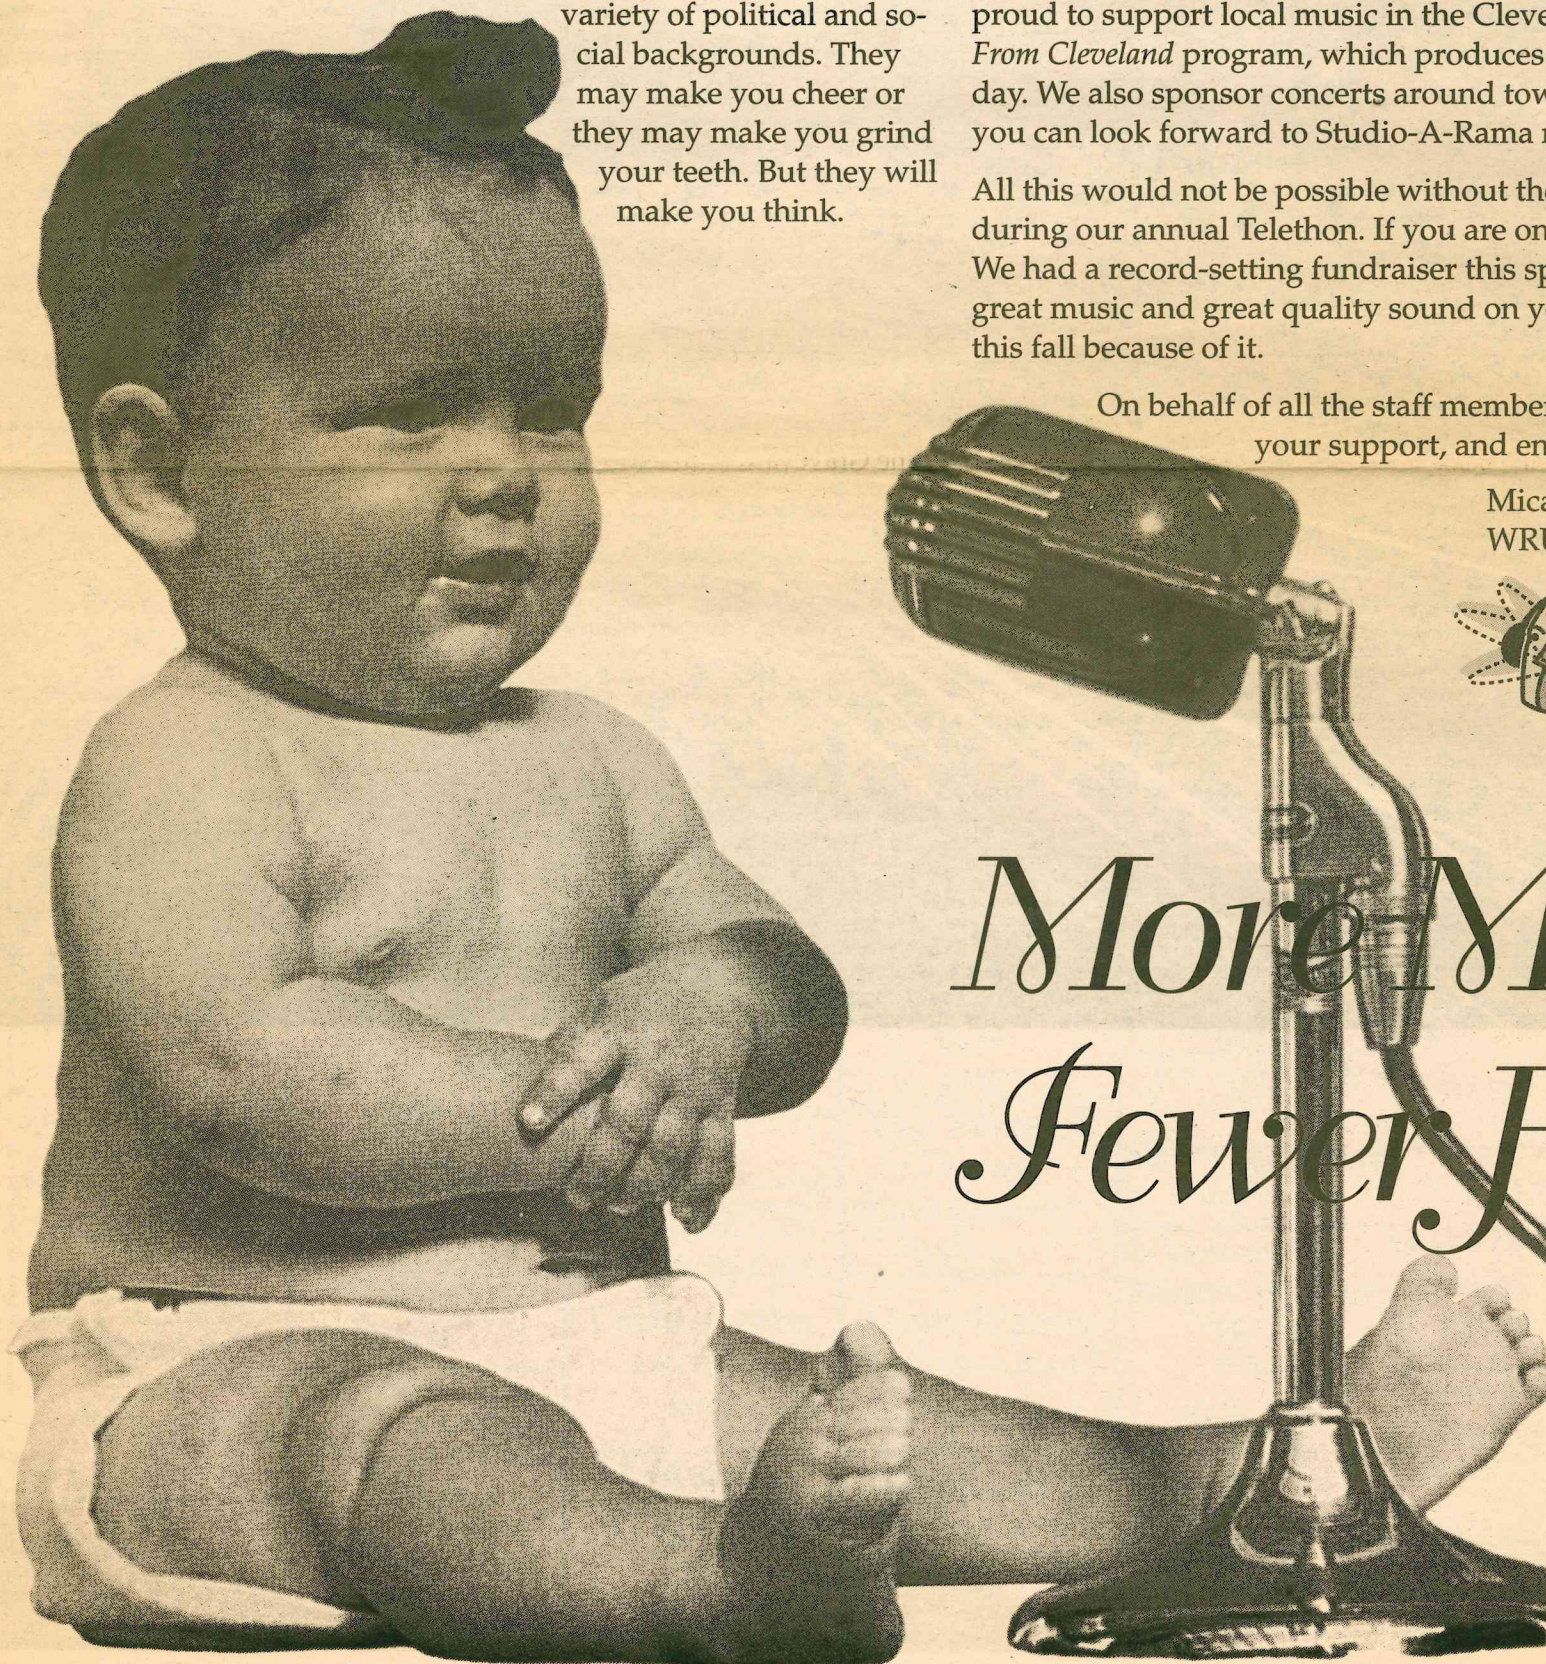

All this would not be possible without the support of listeners like you during our annual Telethon. If you are one of our donors, thank you! We had a record-setting fundraiser this spring. You'll be able to hear great music and great quality sound on your radio and the internet this fall because of it.

On behalf of all the staff members of WRUW-FM, thanks for your support, and enjoy the shows!

Micah J. Waldstein
